

RETIREMENT SECURITY IS IT ATTAINABLE?

33%

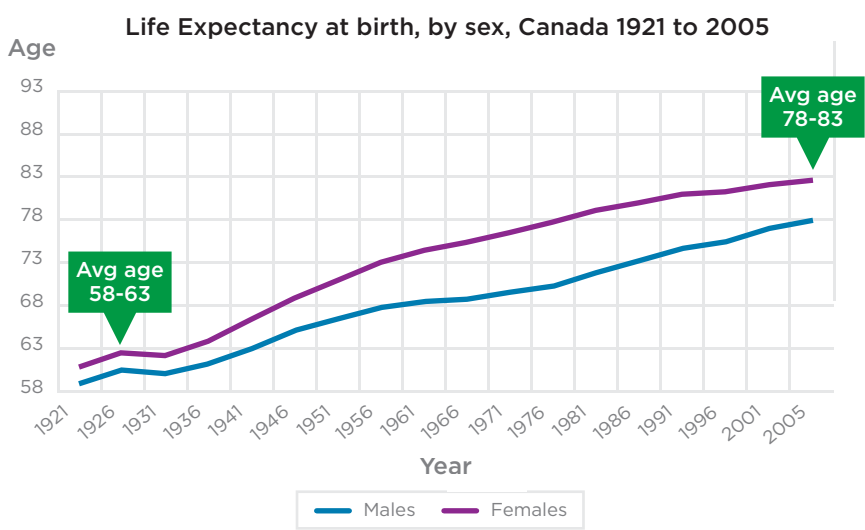

of Ontarians were not able to save anything over the past year

50%

of middle-income Canadians will see their standard of living drop

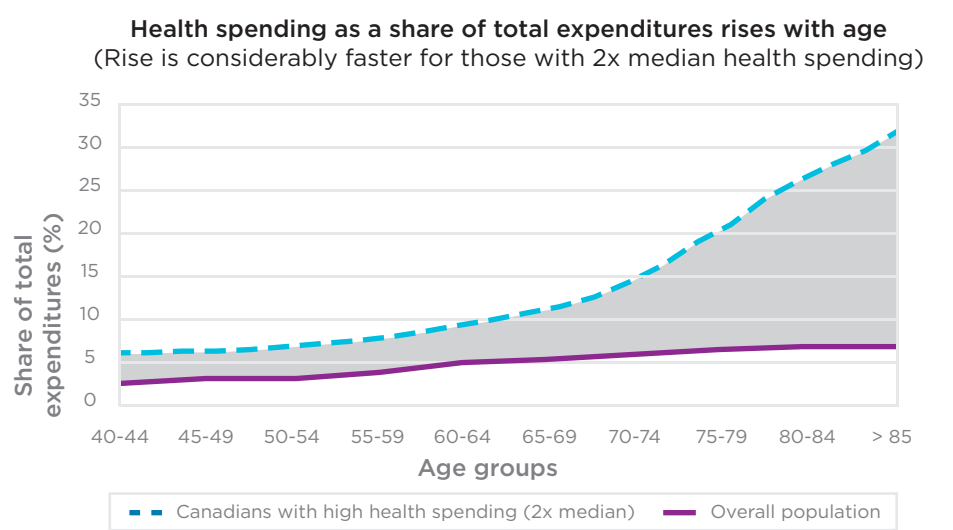

RISING COST OF LIVING

People are living longer

RISING COST OF HEALTHCARE

Health care costs increase as we age

13%

of women aged 85+ do not have enough money to cover their long-term care costs

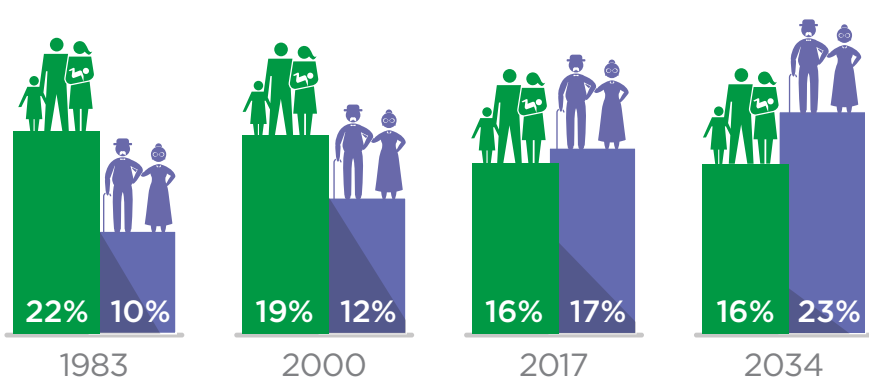

THIS MEANS ROUGHLY **66K**

of women in this age group **cannot** afford their long-term care costs

GROWING NEED FOR SUPPORT

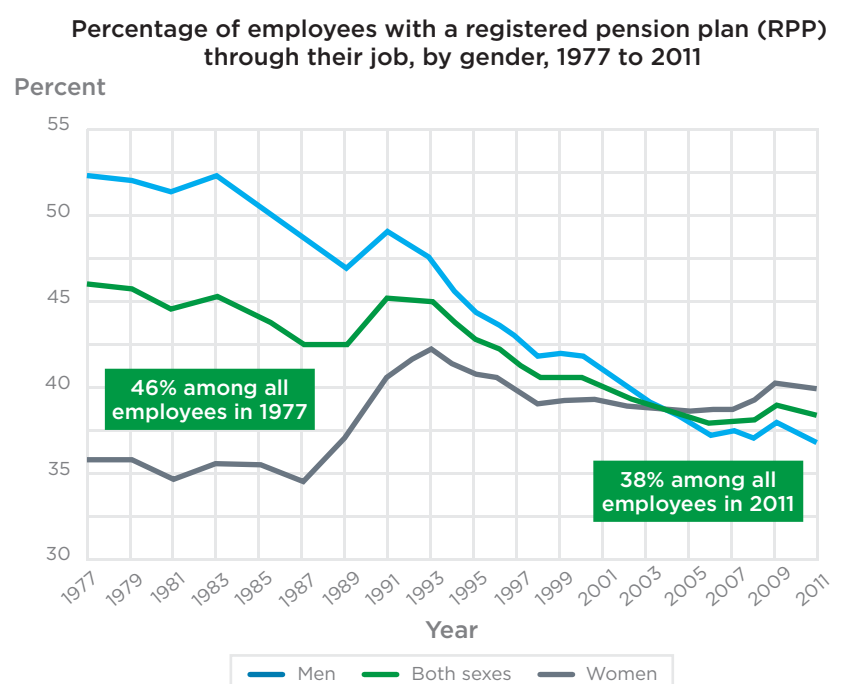

Fewer young Canadians, more retirees

MORE PENSION ADVOCACY

Less access to workplace pensions
